

INK PELLET – the arts magazine for teachers
Annual data update and subscription/renewal

Dear colleague,

As we start the new school year, it is time to renew your school's subscription(s) to *Ink Pellet – the arts magazine for teachers*.

Ink Pellet is published each half-term and includes features of interest and relevance to arts teachers. For example, in the past year we have included interviews with Michael Morpurgo, Matthew Bourne and Jacqueline Wilson, along with features on Shakespeare workshops for schools, audition advice for students and teaching the new Creative Writing AS course.

We realise there may have been staff changes this year and would appreciate your assistance in helping us update our records. Please complete the form below to confirm the correct contact details and indicate how many copies of *Ink Pellet* your school requires this year.
